Optional Site Features

- The site features the ability to insert, delete and modify business contacts
- The site features the ability to insert, delete and modify administrators depending on user access level. Level 3 is highest and can add, delete and modify anyone. Level 2 can only see other administrators and add/delete/modify business contacts. Level 1 is not allowed into the Administrative area but can add/delete/modify business contacts
- Every modification page has a cancel button

*For reference here are the available logins.

**Every password is abcd except Q, his password is Q.

admin_lname	admin_fname	admin_username	admin_access_level
O'Brien	Keiko	FlowerPower	1
Crusher	Wesley	Tinkerer	1
Mogh	Worf	Cmd_Worf	2
Riker	William	The_Riker_Lean	2
Picard	Jean-Luc	Four_lights	2
Q	Q	Q	3

Miscellaneous

- Fixed misspelling of Services in my navbar on the desktop site
- Cleaned up the projects page
NEW
<http://webdesign4.georgianc.on.ca/~200249489/comp2068/assignment2/desktop/projects.html>
OLD
<http://webdesign4.georgianc.on.ca/~200249489/comp2068/assignment1/projects.html>
- Changed the layout on the front page so the slider doesn't overlap anymore
NEW
<http://webdesign4.georgianc.on.ca/~200249489/comp2068/assignment2/desktop/index.php>
OLD
<http://webdesign4.georgianc.on.ca/~200249489/comp2068/assignment1/index.html>
- Cleared up some of the comments from the boilerplate
